English (basic)

## ME

I am 22, I live in La Plata and I dedicate myself to web development. I started a university career in 2020 and in 2022 I decided to start a parallel path studying and completing different courses to reach my goals. I consider myself a proactive, organized and responsible person. Always with the best disposition to carry out my work.

## EXPERIENCE

○ May 2023 - Act.

### Azulmarino

Programmer role for an Agency from Guatemala that is mainly dedicated to Strategic Marketing, Community Manager and Web Application Development.

○ Sep 2023 - Oct 2023 (Freelance Job)

### MB Peluquería

Shift system for a hair salon which allows clients to reserve a shift with a specific day and time, and the administrator to manage shifts, enable and/or disable schedules, among other things.
